

Legend

- Ivy screens
- Planters
- Possible SuDS locations
- Re-painted pillars

St Paul's School Garden

Improvements to the garden with new grass and soft planting would encourage wildlife.

Electric Rapid Charging Points

Three rapid charging points would be installed in Sussex Place car park.

Cycle Hub

Safe and accessible cycle parking would increase the number of spaces and reduce clutter on the street.

Planters

These would provide more greenery and visual interest.

Green Ivy Screens

The installation of ivy screens would shield pedestrians and cyclists from the air pollution caused by the traffic.
