CONSULTATION ON CONTROLLED PARKING ZONE J AND JJ
We will be holding public exhibitions where residents and businesses have the opportunity meet Council officers to discuss the consultation. If you would like to attend, please visit: Bush Theatre, 7 Uxbridge Road, Shepherds Bush, W12 8LJ on Thursday 6th June (2-8pm) and Saturday 8th June (10am-2pm)
Background

We’ve been trying to reach a compromise for some time between conflicting local views on the best parking controls for this area.

Following a legal challenge to our last proposals, we have been working on new proposals with a parking advisory group made up of representatives of local residents’ associations, businesses, faith groups, local key stakeholders and ward councillors, from both the J and JJ areas.

The advisory group has been extremely helpful in preparing these options.

The proposed options are intended for everyone in all streets within the current zones J and JJ. Further details are provided in this booklet.

Listening to you

We’ll analyse your feedback, street-by-street, and listen carefully to what you say. It may be appropriate to split the area according to responses received. It is important to recognise this will only be proposed if it can be done without displacing parking to other streets.

Whatever proposals are introduced, we will review the parking scheme to ensure that it works effectively for the whole area. This may result in changes to the scheme but these are likely to be minor.

There is a comments box at the end of the questionnaire.

Residents’ Visitors
Discounted Parking

Residents’ visitors using the RVP (Residents’ Visitor Permit) to park can park at the reduced rate of £1.80 per hour during the control hours in shared use and permit only bays. Using the RVP is free after 5pm on weekdays, and at weekends, but you must activate a parking session to avoid receiving a penalty.

More details are provided at www.lbhf.gov.uk/parking/parking-permits/visitor-permits
Option 1: The extension of Zone JJ control hours in to Zone J

This option continues the current shared-use parking in Zones J and JJ, in line with the majority of parking zones in Hammersmith & Fulham. Parking bays can be used by permit holders and by people buying pay and display parking.

The proposed days and hours of control that parking restrictions apply are those which currently operate in Zone JJ; Monday to Sunday, 9am to 9pm.

Visitor permits would allow for free parking after 5pm on weekdays, and at weekends.

Option 2: Permit-holder-only and shared-use parking

This option would provide bays in each street for exclusive use by residents and visitor permit-holders only, during the hours 9am to 10pm, Monday to Sunday. All the remaining bays would be for shared-use but there would be fewer of them during the hours 9am to 5pm, Monday to Friday.

Many residents will prefer to park in shared-use bays if these are closer to their homes. So, overall, around 35 per cent of spaces in the area will be permit-only bays.

The location of permit holder only bays are not finalised and only indicative.
Option 2: Indicative Plan
Key
- Proposed Zone boundary
- Shared Parking Bays - Monday to Friday, 9am-5pm
- Permit Holder Only Parking Bays - Monday to Sunday, 9am-10pm

For clarity, only parking bays are shown on this proposal plan.
